

REMARKS

The Notice of Allowability accompanying the Notice of Allowance dated November 26, 2003 included Examiner's Comments asserting that Fig. 2a and Fig. 2b should be renumbered as Fig. 2A and Fig. 2B, respectively, and that the heading for the Brief Description of the Drawing should be revised to recite a Brief Description of the Several Views of the Drawing. By the present Amendment, the specification is amended to include the revisions asserted by the Examiner to be necessary. Entry of this Amendment is not believed to involve any introduction of new matter and to not raise any new issues subsequent to the issuance of the Notice of Allowance. Entry is therefore believed to be in order and is respectfully requested.

Please charge any fees required in connection with this Amendment to Deposit Account No. 04-1133.

Respectfully submitted,
